CERTIFICATE OF COMPLIANCE

Certificate Number: **SGSNA/25/SZ/00348U**

Contract Number: 800833
Certificate Project Number: SZ-CERT250903554

Certified Product: Rechargeable Li-ion Battery Pack
(Product name: Anker SOLIX Prime B6000 Battery Module)
Trademarks: ANKER SOLIX
Model(s): A17E1141-85
Technical Data: Battery ratings: 102.4 Vd.c., 60 Ah; Nominal terminal voltage: 400Vd.c.;
Maximum charge voltage: 115.2 V; Discharge cut-off voltage: 89.6 V;
Maximum charge power: 6000 W; Maximum discharge power: 8000 W;
Charge temperature range (ambient): -20 to 55°C (Self heating function preventing cell being charged under 0°C);
Discharge temperature range (ambient): -20 to 55°C;
Terminal voltage range: 380 – 450 Vd.c.

Certificate Holder: Anker Innovations Limited
Unit 56, 8th Floor, Tower 2, Admiralty Centre, 18 Harcourt Road, Hong Kong, China

This certificate supercedes previous certificates issued with the same certificate number. Certification is valid when products are indicated on the SGS directory of certified products at www.sgs.com or using the QR code below. The product is certified according to ISO/IEC Guide 17067, Conformity assessment - Fundamentals of product certification, System 3, and in accordance with:

ANSI/CAN/UL 1973, 3.0 Edition, Dated February 25, 2022

Schedule of Limitations

1. The instructions for the proper installation and use including charging and discharging, storage, recycling and disposal shall be required for the end use application. These instructions shall include temperature limits, charging and discharging limits as well as instructions regarding the use of any controls or monitoring systems.
2. Use only Anker SOLIX Solarbank Prime E10 Power Module (Model: A17E1) for charging.
3. For AC Input, overvoltage category III was considered; For PV input, overvoltage category II was considered; Pollution degree 2 was considered; Maximum altitude 2000 m was considered.
4. Continuity Test should be evaluated during final application.

Authorized by: Effective date: 02 September 2025

Jason Wei
Certifier

SGS operates certification programs under the authority of several accreditation or recognition bodies including A2LA, ANAB, OSHA NRTL, and Standards Council of Canada. This certificate is issued by the company under its General Conditions for Certification Services accessible at https://www.sgs.com/en/terms-and-conditions. Attention is drawn to the limitations of liability defined therein and in the Test Report here above mentioned which findings are reflected in this Certificate. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.
