1. 4,000W Whole-Home Essential Power. Run your fridge, microwave, Wi-Fi, lighting, and CPAP all at once.
2. 5–30kWh Expandable Capacity. Get 1 day to 1 week of essential backup. Add batteries anytime, with no installer needed.
3. <25 dB. Quiet enough for indoor use—quieter than a whisper.
4. ≤20 ms Automatic Switchover. The lights don’t even flicker.
5. OASIS 3.0 — Your AI-based Home Energy Manager. Charges off-peak, powers your home during peak hours, and helps lower your electricity bill every day.
6. North America Highest Safety Standards. UL 9540 certified and tested to UL 9540A, UL 1741 compliant, with EV-grade LFP cells, 24/7 BMS monitoring, and a 5-year warranty.
NOTICE: ⚠️ TITAN 5000 Classic supports 120V output only. For 240V appliances such as central AC and electric water heaters, see TITAN 5000 or TITAN 5000 Plus. Solar panels are sold separately. AC coupling with an existing rooftop solar system requires the Smart Home Panel 10 (SHP10 120V) and a CT sensor.
